Parenting in a Pandemic:
Positioning your kids for HOPE
and success in life!

In 2006, Dr. Hendershott co-founded Hope 4 The Wounded, LLC, with his wife Dardi. They are sought-after speakers and conduct professional development across the nation on the effects of trauma on learning and behavior. Joe has authored two books, *Reaching the Wounded Student* and *7 Ways to Transform the Lives of Wounded Students* and co-authored *Supporting the Wounded Educator: A Trauma-Sensitive Approach to Self-Care* with Dardi. Joe and Dardi have nine children and have been licensed foster/adoptive parents. They love being involved in their community and being their kids' biggest fans!
